

# July 2021 news & updates

## Parallax Advanced Research

With so many great things happening at Parallax, we decided to consolidate our latest news and events into one newsletter to be sure you get the most out of our updates. Please reach out to us with any questions and enjoy!

**Parallax Advanced Research** is a **Dayton Business Journal** 2021 Best Places to Work honoree!

We are so grateful for this recognition and to the Dayton Business Journal for this opportunity. We can't wait to attend the awards reception in August at the Day Air Ballpark, home of the Dayton Dragons, where category winners will be announced.

Congratulations to our amazing team of Parallaxians for helping Parallax become a 2021 best place to work honoree. Congratulations to the 37 total companies named as honorees this year. You've all earned it!

**Ohio Federal Research Network**  
*Driving Innovation Through Strategic Partnerships*

OFRN is a State of Ohio-focused research and development program that was established by Parallax and the Ohio Department of Higher Education in 2014.

OFRN's mission is to stimulate Ohio's innovation economy by funding R&D projects that meet federal laboratory requirements and build statewide university and industry collaborations.

OFRN's vision is to be Ohio's go-to solution for creating R&D partnerships among academia, industry and

## Life Cycle Industry Days (LCID) August 3-5

The Air Force Life Cycle Management Center will host the 5th annual Life Cycle Industry Days (LCID) virtually, from August 3rd – August 5th. This year's theme is "Accelerating Change to Empower the Warfighter" featuring keynote presentations by top acquisition leaders, panel sessions and forecast briefings from our Air Force Program Executive Directors (PEOs).

### Events

## Dayton Startup Week 2021 September 13-16

Launch Dayton Startup Week is a free, annual, week-long, entrepreneur-led, volunteer-run, community-focused conference brings together the region's thinkers, dreamers, doers, makers, entrepreneurs and small business owners. In 2021, we are hoping to host a hybrid event with both in-person and virtual attendance options.

Parallax is a founding partner of Launch Dayton: a collaborative entrepreneurial support effort with programmatic roots dating back to 2015.

Parallax's Launch Dayton team supports Dayton Region entrepreneurs by cultivating an easily accessible resource environment, creating high-caliber programming and by building a network of champions, mentors and resource providers that help entrepreneurs succeed.
